

ANNUAL MEETING
MARCH 19–20
ARLINGTON, VA | CONVENE

Each year, the RIC orchestrates a dynamic two-day experience designed to bring together REMS professionals from all over the globe, promoting collaboration, knowledge exchange, and meaningful connections.

This unique annual gathering offers a dedicated space for REMS professionals to expand the industry landscape and enhance patient safety. It all happens at the RIC!

New sessions and speakers are added daily. Plus the FDA has been invited as a participant in the meeting.

Advancing **Patient Safety** through **Innovation**.
