

# ANNUAL MEETING

**COLLABORATE, STANDARDIZE,  
INNOVATE TO MODERNIZE REMS**

**MARCH 11-12, 2026 • WESTIN  
ARLINGTON, VIRGINIA**

Each year, the RIC orchestrates a dynamic two-day experience designed to bring together REMS professionals from all over the globe, promoting collaboration, knowledge exchange, and meaningful connections.

This unique annual gathering offers a dedicated space for REMS professionals to expand the industry landscape and enhance patient safety. It all happens at the RIC!

**New sessions and speakers are added daily. Plus the FDA has been invited as a participant in the meeting.**

## Top Reasons to Attend RIC 2026 Annual Meeting

- 1** Stay current on FDA regulations
- 2** REMS strategy and requirements uniqueness as part of a global risk minimization strategy
- 3** Opening Keynote Address by Zahra Mahmoudjafari from the University of Kansas Health System
- 4** Closing Keynote Address by Elaine Lippmann, from Leavitt Partners
- 5** The U.S. political strategy and its impact on REMS
- 6** Changing regulatory landscape in the united states and the world at large
